

To High School Art Teachers,

We invite you and your students to participate in Katonah Museum of Art's **Young Artists 2023: High School Art Exhibition**. The exhibition will be on view February 5 – February 26, 2023. We are celebrating our 40th anniversary this year, so please stay tuned for special activities that may be added to this year's program. In this packet you will find all the information needed for your school to participate. If you are new to the program or have any questions, we are happy to discuss at your convenience, just reach out to: madasko@katonahmuseum.org.

Young Artists gives high school students the opportunity to participate behind-the-scenes in many aspects of mounting a museum exhibition. The first component of this program is the **Graphic Design Workshop** in which students design the *Young Artists 2023* invitation. This year, the workshop will have both in-person and virtual components. The virtual workshop will take place Wednesday, November 9, 2022. Led graphic design educators from Fox Lane HS, this presentation will introduce important graphic design concepts and outline the objectives of the postcard invitation design. Students will then attend an all-day, in-person design workshop on Monday, November 21 at the KMA, where they will complete their projects. The winning design will be selected from these submissions. **Teachers should submit the names and emails of one or two seniors to participate in this workshop by Thursday, November 3.** Email the enclosed confirmation form to madasko@katonahmuseum.org.

In January and February, senior students' artwork is selected by teachers, framed, and delivered to the KMA for the exhibition. After the artwork is received, select students from each school participate in curating and installing the exhibition on two **Installation Days**, held at the KMA on February 1 and February 2. Artists, teachers, families, and friends are invited to the exhibition opening taking place on Sunday, February 5, 2023. All guests will be required to register in advance. A link will be sent in the weeks leading up to the event. The *Young Artists 2022* exhibition will be open to the public through February 26.

To participate in *Young Artists 2023*, your school must pay the annual fee of \$350 for the KMA School Program. Please let us know if you would like an invoice sent to you. The KMA School Program also allows for unlimited virtual or in-person tours of KMA exhibitions. This year's exhibitions include *Tenacity & Resilience: The Art of Jerry Pinkney* (October 9, 2022 – January 22, 2023) and *Miniature Worlds: Joseph Cornell, Ray Johnson, and Yayoi Kusama* (March 12 – June 25, 2023).

The enclosed documents provide all the information you need:

- **Important Dates** for *Young Artists 2023*
- **Confirmation Form** which must be returned in order to participate
- **School Membership Form** which must be returned with membership payment

Opportunity for Teens: KMA Teen Council: We are seeking arts and community-interested HS students who would like to join the KMA Teen Council. Students will learn about life at the Museum and produce events for their peers. Contact education@katonahmuseum.org for more information.

Please feel free to contact us with any questions or concerns.

With sincere thanks,

Margaret Adasko
