

Our Visit to the  Katonah Museum of Art

We are going to the Katonah Museum of Art, also known as the **KMA**. Every 3-4 months, the art on view changes. We will enter the Museum from the parking lot through the front door.

When we enter the **Atrium**, the reception desk will be straight ahead to the left. A Guest Services Associate will greet us and check us in. If we have a question, we can ask one of them for help. The all-gender accessible bathrooms are to the right and left of us. The bathroom to the right has a diaper-changing table.

Past the Atrium is the **Marilyn M. Simpson Sculpture Garden**. It is also a place to rest and sit at the tables or on a bench. If we bring a snack, we can eat it out there. The tall trees are called Norway Spruce.

The exhibition in KMA's two main galleries is *Ali Banisadr: The Alchemist*. To the right is the **Righter Gallery**, which features paintings and sculptures. We can't touch the artwork in this gallery, but we can look at it! We will keep a safe distance from the art and move slowly and carefully through the galleries.

The **Beitzel Gallery** is on the left, and continues the exhibition *Ali Banisadr: The Alchemist*. We can walk in and look around. This gallery features large colorful paintings and a sculpture in the center of the room. We can't touch the artwork, but we can look at it! We will move carefully around the galleries and keep a safe distance from the art.

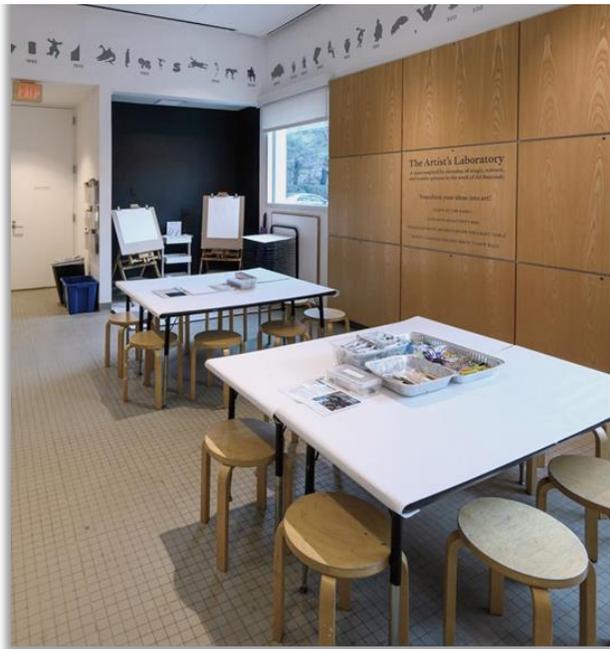

The **Sensory Backpacks** are before and to the right of the guest services desk. In the sensory backpacks, there are headphones, fidget activities, and books. We can use these tools whenever the museum becomes a bit overwhelming.

The Pollack Family Learning Center is our space to sit and talk, read, and make art. When we enter the room, the plastic bins below the counter to the left have lots of fun materials for us to use! These activity bins include **MUSICAL MARK MAKING**, **SCULPTURAL CHARACTERS**, **WORLDSCAPES** and more. We should clean up and return all materials to the correct bins when we are finished.

In the **Learning Center**, you can paint at the easel, and transform your ideas into art. This is a great chance to practice what we've learned today!

We hope you have a fun visit at the KMA today!
